Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$2,000,000 in funding for the City of Dauphin Island's stormwater management project in fiscal year 2023. The entity to receive funding for this project is the City of Dauphin Island located at 1011 Bienville Avenue, Dauphin Island, Alabama 36528. The funding would be used to develop wetlands that will capture and absorb stormwater to reduce repetitive flooding and increase resiliency to disasters. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jerry L. Carl
Member of Congress
